Our Commitment to You

Crafted with the utmost care and attention to detail, each garment in our collection is a testament to our commitment to quality and elegant design. From feminine floral dresses like our Miley dress on page 57, to classic separates, our curated collection embodies timeless style and modern sensibility, ensuring that you step into every occasion with grace and confidence. Don't believe us? Rest assured that any purchases can be returned or exchanged free of charge.

Embrace Comfort and Long-Term Style

Stand out this Summer in our colourful and luxuriously soft, breathable fabrics. Our favourite outfit is the Emilia skirt and blouse. Made from pure cotton lawn, it's gentle on the skin for ultimate comfort when you need it the most and its timeless design won't compromise on style. Mix and match with our easycare separates, see page 25 and 26 to find out how.

We understand the importance of fashion that transcends fleeting trends. That's why we have built our collection to withstand the test of time, ensuring that each piece remains a cherished staple in your wardrobe for years to come. You'll love our Sandown collection and our gorgeous new colour for this season, pear trousers and skirt on pages 30, 33 and 35 and also the Pearl Sandown jacket on page 91. Our lightweight and versatile Polly range on page 23 has grown too and now includes a new turquoise skirt and trouser.

Save Exclusively with Garden Party

We have picked some of our favourite wardrobe essentials and price dropped them in this edition to help you save. Buy 2 silky cotton tops and save £5 – with 17 colours and 4 styles to choose, these styles are guaranteed to elevate your outfit this Summer. Shop on page 14.

For everyday essentials, turn to page 80 to find 2 for offers on a selection of Sloggi underwear, so order by 6th June to avoid missing out.
